

USB Outlet, Half-Size

ARUSBW4

Shown with one Half-Size
USB Outlet

Charge your cell phone at a convenient location with the adorne USB outlet.

This product only contains one USB charging outlet. If you want two USBs side-by-side, please order two.

Wall plate not included.

features & benefits

- Charge your cell phone or tablet at a convenient location with the adorne 2.1A USB outlet. Offers enough power to quickly and easily charge large devices such as tablets.
- Pair this Half-Size USB Outlet with an adorne Paddle, Whisper, or Push switch, or with an adorne Outlet, for more flexibility in one wall plate.
- Shown in a classic white finish. Also available in magnesium.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
