

## Gloss White-on-White 1-Gang Wall Plate

AWP1G2WHW10

Say bye-bye to bland and hello to the possibilities with adorne wall plates. Designed with the same inventive style as adorne switches, dimmers, outlets and accessories, these screwless wall plates simply snap into the included metal frame for near-effortless installation. And with dozens of options to choose from, including genuine, rich wood finishes, cast metals and an array of vivid colors like the one you see here, they're the perfect finishing touch for your project or remodel.

The white-on-white design is ideal for your contemporary, all-white projects, allowing the plate to simply fade into the background. Pair with an adorne switch, dimmer or outlet in classic white to complete the look.

### features & benefits

- Pair with a classic white or versatile magnesium adorne device or stunning accessory like the [adorne Accent Nightlight](#) to complete your designer-style look.
- Available in 1-6-gang capacities. Also available in 1-Gang+ capacities to support multiple devices in one electrical box, such as an outlet combined with a nightlight.
- Easily snaps onto included mounting frame and installs in minutes with no visible screws. adorne products fit into your existing electrical box, so no new wires are needed.
