### features & benefits

- Protects children: patented shutter system helps prevent improper insertion of foreign objects.
- When you're ready to plug something in, just push on the box and the outlets will "pop out," enabling easy access to power.
- Includes capacity for three plugs.
- Easy "1-for-1" installation lets you simply replace your existing outlet with adorne in just minutes.
- Requires a minimum box size of 22.5 cubic inches.
- Does not require new wires for typical installation. Innovative assembly and snap-in system make it fast and simple to install.
- Shown in a magnesium finish. Also available in classic white.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
- Intended for indoor wall mount use only.
