

SensaSwitch™, Manual-ON / Timed-OFF

ASTM2W2

The Manual-ON/Timed-OFF SensaSwitch allows you to turn lights on when you enter a room and automatically turns them off at a preset time when you leave. Perfect for bathrooms.

Wall plate not included.

features & benefits

- Easy "1-for-1" installation lets you simply replace your existing switch with adorne in just minutes.
- Fits in your existing electrical box and does not require new wires for typical installation. Innovative assembly and snap-in system make it fast and simple to install.
- Shown in a classic white finish. Also available in magnesium.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Select a Locator Light for a smart add-on option that makes it easy to find your switch in the dark.
- Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
