

LED Specifications

Supplier		Luminaire Galarneau				
Supplier Code		350201-1		Product Category		Track light
Description						
High-quality LED track light						
Specifications						
Installation		Track Mounted				
IP Grade		IP20				
Beam Angle		12° /24° /36° /50°				
Power Consumption		45W				
Dimension		263*122mm				
Cut out		N/A				
Ambient Temperature		-20°C~45°C				
Finishing Color		White/Black/Silver				
Optical Parameters						
LED Source		Philips fortimo SLM PW 1208				
Lamp Life		50000H				
Luminance uniformity		≥0.9				
Color Shift		≤0.004				
Center intensity						
Colour Temperature	Initial Lumen	Lumen Efficiency	CRI	Chromaticity Coordinates		Color Difference
3000k/3500K/4000K	4500LM	100lm/w	>80 / >90			≤3
Electricity Parameters						
Power Model		Philip Xitanium 50W 0.7-1.05A 0-10V dimming				
Energy Grade		1				
Dimmable		0-10V				
Power factor		≥0.9				
Input Voltage		120V-277V				
Output Voltage		27-54V				
Input Current Frequency		50/60Hz				
Packaging						
	L (cm)	W (cm)	H (cm)	N. W. (Kg) CTN	G. W. (Kg) CTN	PCS/CTN
Outer Package	41.5	31.0	54.0	8.7	10.4	6
Others:						
Safety Certificates		ETL				
Warranty		5 Years
