

Adjustable LED Wall Light COB5W*2

Description:

1. 100% Die-casting aluminum lighting fixture
2. IP65 rating for indoor/outdoor use
3. Black/White housing color in option
4. Adjustable beam angle
5. 3000K,4000K,5000K,6000K in option
6. Energy Savings of as Much as 90% vs Traditional Lighting

Specs:

Model No.	PL-UPD-COB5W-2
Product Name	LED wall light
Dimension	L100*W100*H100mm
Power of Led	2*5W
Luminous flux	1000lm
Lamp efficiency	100lm/w
Input Voltage	AC100-277V
Housing color	Black, White
Color Temperature	3000K,4000K,5000K,6000K
Material	Aluminum
Beam angle	adjustable
Working temperature	-20~+60°C
Led Brand	Epistar
Power Efficiency	85%
Power Factor (PF)	≥0.9
LED color index (CRI)	80
IP rating	IP65

Applications: Hotel,Hall,Exhibition,Decorative Lighting...

Manually Adjust The Luminous Angle
