

SUPERLIGHT

DESCRIPTION

Superlight is a task light reduced to its essence. A gestural line in space resulting in a precise yet animated structure, seemingly defying gravity with its weightless appearance. Its unique joints offer a full 3-axis range of motion, allowing Superlight to achieve fluid, sweeping movement in every direction providing warm, glare-free LED light exactly where you need it. The Superlight family includes desk, floor, wall, clamp and grommet-mounted fixtures.
