

REVELATION

ELLIPTICAL ETAGERE

ITEM #R25074

Impressive in scale, the Ovoid etagere has modern lines accented with classic details. Its over sized shelves are made of the highest quality clear glass providing maximum opportunities for display and storage. Made of steel with a special bronze finish and accented with solid brass feet and finials. The clean updated design will work perfectly in any style room, traditional or modern, rustic or dressy.
