

REVELATION

GLIDE DESK

ITEM #R25179

The Glide Desk is made of hardwood and American walnut veneer in a satin finish. Exclusively designed pulls are made from solid brass. Features three drawers with mitered corners, ensuring no visible lines when closed. The center drawer flips down for easy access to a keyboard and the two side drawers have self-closing glides. The top provides ample working and writing space. Features an apron with distinctive curve above the scaffold-like legs. Stretchers are finished in a gold brass finish.
