HIGHLIGHT FLOOR LAMP - ANTIQUE BRASS

ITEM #R30043-1

The sleek and minimalist design of the Highlight Floor Lamp is perfect when you need a lot of light but have limited space. Finished in an antique brass, both the post and LED arm are multi-directional and can independently rotate 350 degrees. The post is built to a height for reading by a sofa or chair and contains a knurled rotary dimmer directly underneath the arm. The capsule-shaped alabaster base can be easily rotated and tucked discreetly out of the way. The four feet were added for stabilization on carpet and allow cord control from any direction. The LED light is an integrated light system - no bulb required. Produces 54,000 estimated hours of illumination.
