MIDNIGHT BOTANICALS FRAMED PRINTS, S/2

ITEM #56053

Transitional in style, these colorful, botanical prints evoke traditional scientific texts. Shades of peach, sage green, and red pop against the aged black background. Distressed wooden frames with a black finish, gray and taupe accents, and a heavy taupe glaze surround each piece of art. The inner lips have a golden-bronze leaf base with heavy black, brown, taupe, and gray distressed details. Each print is placed under protective glass. Artwork by Vision Studio.
