

## STATUESQUE TABLE LAMP - PANDA MARBLE

## ITEM \#R30089

Panda marble is known for its high contrasts and active patterns. While each lamp shape is identical, expect each piece's coloring to be unique. The rich brass collar and base accentuate its sleekness, the reflector finial amplifies the light, and the cotton fabric shade completes the look with a subtle black ribbon trim. Perfect for high ceilings or a low sofa, the Statuesque Lamp is going to get looks wherever it goes.
