

Ryne

• Damp Location Listed **PROGRESS LED**

Description:

Enjoy a beautiful ceiling fan at a fantastic price with the Ryne Collection 52-Inch 3-Blade Woodgrain LED Transitional Indoor/Outdoor Ceiling Fan. Three slightly curved ABS blades are coated in a handsome woodgrain that will complement a variety of living areas. The blades are resistant to warping from environmental conditions and offer a long product lifespan. The fan's downrod and canopy are coated in an architectural bronze finish to complete the transitional design. A 6-speed full-function remote control with batteries is included so you can adjust full-range dimming and fan speed without breaking a sweat.

Specifications:

- Application: Ideal for any bedroom, living room, great room, or covered porch.
- Style: Perfect for transitional style settings.
- Blades: Three slightly curved ABS blades are coated in a handsome woodgrain finish that will complement a variety of living areas. Blades are resistant to warping from environmental conditions.
