Durrell

This versatile semi-flush convertible from the Durrell Collection will easily find a home in a variety of settings in need of generous illumination. A round open-cage frame coated in a farmhouse-style brushed nickel highlights the light fixture's rustic demeanor. Inside the frame nestle light bases reminiscent of vintage candlesticks on gently curving metal arms. A wooden column at the ceiling light's center is coated in a cerused white finish and creates a mixed-element aesthetic.
