## Glayse

Inspired by modern architecture. Glayse features handsome details for variety of interior design styles. The frameless unbounded beveled glass creates beautiful light and reflection. The structure of Glayse is the focal point of the design, where form follows function.

- Inspired by modern architecture
- Glayse features handsome details for variety of interior design styles – including mid-century modern, luxe, transitional and modern
- Popular Antique Bronze finish
- The frameless unbounded beveled glass creates beautiful light and reflection
- The structure of Glayse is the focal point of the design, where form follows function
- Uses four 60-watt max. medium base bulbs including LED equivalent (sold separately)
- Perfect showcase for vintage style light bulbs, including Progress Lighting's P7825-01 or P7827-01
- Can be displayed individually or in groupings of two or more for customized design statements
- Shop the complete Glayse collection for a coordinated look throughout your entire home or mix and match with other complementary styles for a more curated decor
