## **Benton Harbor**

This hanging lantern is expertly crafted with that casual, coastal style you love. A clear glass shade shields a simple light base for a seaside-living vibe. The shade is cradled inside an open-cage black frame featuring thin bars and constructed with a composite polymer, corrosion-resistant housing. DU-RASHIELD by Progress Lighting is built to last. Constructed from a composite material with UV protection, DURASHIELD holds up even in the harshest weather conditions. This high-performance finish has a 5-year warranty and is resistant to rust, corrosion, and fading.

- · A clear glass shade shields a simple light base for a seaside-living vibe.
- The glass shade is cradled inside an open-cage black frame of corrosion-proof composit polymer.
- The hanging lantern is expertly crafted with a non-metallic, corrosion-resistant housing.
