Gresham

A display of substantial style in an one-light wall bracket, Gresham Collection's frame was inspired by the elegance of traditional iron structures. Specific attention to forging details creates a distinctive collection for Transitional and Farmhouse interior spaces. Seeded glass shades and a Graphite finish pair together to complete the look.

- Graphite finishes and organic seeded-glass shades form the basis of this collection that channels traditional iron structures
- This one-light wall bracket works well as a pair over a fireplace, on a dining-room wall or flanking a mirror in a powder room or bathroom
- The fixture feels most at home in a traditional or farmhouse-style setting
- With hand-forged details, the dark graphite frame makes this light a dramatic focal point
- Measures 4 3/4in W x 15in ht.
- Uses one, 60-watt max. candelabra base bulb including LED equivalent (sold separately)
- Compatible with standard wall dimmer
- Progress Lighting products are designed for exceptional quality, reliability, and functionality
- Includes installation instructions and mounting hardware
- Coordinating fixtures available
