Durrell

This versatile wall bracket from the Durrell Collection will easily find a home in a variety of settings in need of generous illumination. A light base reminiscent of a vintage candlestick is coated in a beautiful black finish. Beneath the light base, a decorative wooden piece coated in a ceruse black finish tops a long, curving metal arm. The arm attaches to a round black backplate with a faux-painted wooden center for a mixed-elements aesthetic.

- A light base reminiscent of a vintage candlestick is coated in a beautiful black finish.
- Beneath the light base, a decorative wooden piece tops a long, curving metal arm.
- A round black backplate with a faux-painted wooden center creates a mixed-elements aesthetic.
