EVENING GARDEN FRAMED PRINT

ITEM #R45107

When evening turns to night, and the last touch of light reveals the deep and rich colors of the garden, there is a sense of romance and wonder in the air. Represented in a delicate dimension, this print shows beautifully as a stand-alone piece, or placed with a gallery collection. Printed on paper with special matte finish. Framed in a charcoal gray wooden frame with a metallic gold leaf inner lip. Artwork by Stefan Jans.
