SERENE GARDEN FANTASY FRAMED PRINT

ITEM #R45123

The oversized Serene Garden Fantasy art is a modern collage by artist Stephan Jans, inspired by 16th Century Flemish still life paintings. Featuring an array of colors, it is printed on paper with a special protective matte finish. The solid pine frame is finished in dark espresso and accented with a metallic gold leaf fillet. For an even more grande statement, pair with Tranquil Garden Fantasy Framed Print.
